LSDelayChipV1

```
graph BT; LSDelayChipV1 --> Element; Element --> Hierarchy; Hierarchy --> Object; Object --> Attrib;
```

The diagram illustrates a vertical hierarchy of five components. At the base is 'LSDelayChipV1', which points up to 'Element'. 'Element' points up to 'Hierarchy', which points up to 'Object', which finally points up to 'Attrib' at the top. Each component is contained within a rectangular box, and the connections are represented by upward-pointing arrows.
